

Submission Guidelines: CIRC Affiliated Researcher Page

Please send the following information to keith.larson@umu.com and arcticcircinterns@gmail.com.

1. Profile image: This should be a portrait image of you alone, with head and shoulders in the shot. This should be taken outdoors, preferably during fieldwork, to match CIRC's site-wide imagery.
2. Your name as you'd like it to appear on the page
3. Your position (ie. Professor, Assistant Professor) and your institution
4. Your email address
5. Your Gmail account (optional, but a Gmail address is required for the booking system for CIRC resources, such as labs, vehicles and field equipment)
6. Your Umea University Web Page URL
7. Your social media (optional) i.e. Twitter handle
8. A summary of your research. This can read like an abstract. Max 250 words.
9. A list of your collaborators, with the name of their institution
10. A list of your current projects on the CIRC web page. Find projects here (<https://www.arcticcirc.net/projects>) if your project is not yet on the CIRC webpage, please fill out a project submission guide and send us the details to upload.
11. Details of your ResearchGate or Google Scholar pages.
12. Papers. This should be a list of peer-reviewed papers published in association with this specific project.
13. 5-10 additional photos from your fieldwork.
