1. Profile image: This should be a portrait image of you alone, with head and shoulders in the shot. This should be taken outdoors, preferably during fieldwork, to match CIRC's site-wide imagery.
2. Your name as you'd like it to appear on the page
3. Your position (ie. PHD Student, Post-doc Researcher) and your institution
4. Your email address
5. Your institution web page URL
6. Your social media (optional) i.e. Twitter handle, personal web page
7. A summary of your research. This can read like an abstract. Max 250 words.
8. Your supervisor's name and institution
9. Details of your funding
10. A list of your collaborators, with the name of their institution
11. Details of your project. Max 300 words. If you're involved in any of the current projects on the CIRC web page, send the URLs. Find projects here (<https://www.arcticcirc.net/projects>)
12. 5-10 additional photos from your fieldwork.
13. Details of your ResearchGate or Google Scholar pages.
