

Submission Guidelines: PhD/Post-Doc Researcher Page

Please send the following information to keith.larson@umu.com and arcticcircinterns@gmail.com.

1. Profile image: This should be a portrait image of you alone, with head and shoulders in the shot. This should be taken outdoors, preferably during fieldwork, to match CIRC's site-wide imagery.
2. Your name as you'd like it to appear on the page
3. Your position (ie. PhD Student, Post-doc Researcher) and your institution
4. Your email address
5. Your Gmail account (optional, but a Gmail address is required for the booking system for CIRC resources, such as labs, vehicles and field equipment)
6. Your University Web Page URL
7. Your social media (optional) i.e. Twitter handle
8. A summary of your research. This can read like an abstract. Max 250 words.
9. Your supervisor's name and institution
10. Details of your project. Max 300 words.
11. If you're involved in any of the current projects on the CIRC web page, send the URLs. Find projects here (<https://www.arcticcirc.net/projects>)
12. Details of your ResearchGate or Google Scholar pages.
13. Papers - peer-reviewed papers published in association with this specific project.
14. 5-10 additional photos from your fieldwork.
